

ARE YOU INTERESTED IN HAVING A SAY IN HOW YOUR GP PRACTICE IS RUN?

At the Devonshire Lodge practice, we have an active Patient Participation Group (PPG).

The idea of PPGs is to give patients a say in how their GP practice is run. Our PPG meets quarterly. It represents patient views to the practice and is consulted by the practice on matters affecting patients. (More info on PPG page of practice website www.devonshirelodge.co.uk)

Currently there are more places for patients to become members of the group. The only requirements are that:

- You are registered with the practice
- You are able to give some time to attend meetings
- You would like to work with the practice and with other patients to improve services

If you are interested in becoming a member or would like more information, just add your details below and give them to reception. We'll be in touch.
